Super Size Your Prize®

Delivering **Excitement** and **Results** to your Bingo Room!

Endless Possibilities with Fully Customizable Prize Feature Configurations

Super Size Your Prize® is a computerized prize award system that adds fun and excitement to any bingo room. Instead of fixed bingo payouts of the past, the Super Size Your Prize® mobile tablet is presented to the player, to play the interactive prize award feature while the entire room watches on displays across your bingo room. Patterns and prizes are completely customizable to your bingo operation. Virtually any promotion or prize alternative is possible with Super Size Your Prize®. Elevate your game today!

Super Punch Bingo is an exciting way to keep your players engaged in each bingo session. The player will chase the progressives until they are all awarded, then the board resets and the chase begins again.

Super Spin Bingo brings an interactive wheel prize feature to the bingo session that players are accustomed to in other gaming areas. Other bingo session players will cheer for a large prize as the wheel spins and slowly stops.
